SLU: What can recourses can nationals hosts get if institutions don't pay?

UPD: Nationals hosts have the prerogative to set deadlines to be met.

Mikee: Institutions that pull out last-minute without paying are not eligible to participate in the next nationals until they pay.

Policy on Pull-Ups

Miko: We should discuss if we want to implement a rule banning more than one pull-up.

UPD: There are logistical issues involved.

Tab Team: The tab used this year does not allow manual changes.

Mikee: Any decision on the pull-out rule will not affect this year's PIDC, only next year. We need alternative programs proposed.

ADMU: The program used by Australs allows for the pull-up rule to be implemented.

Policy on Walk-In Judges

Mikee: Adjcore wanted to include in agenda - should we allow walk in judges or not?
